MUSCAT | The Al Hassan Group bagged bronze award in Oil and Gas category at the 5th Oman Web Awards, Oman's premier web designing competition.

The Al Hassan website has been designed and developed using the latest web standards and technologies by Al Hassan IT Department.

www.al-hassan.com is a virtual window to the Al Has-

san Group, one of Oman's leading business groups. The Al Hassan Group, established in 1975, currently has 5,000 employees and is structured

around 11 companies in Oman and the UAE classified under three Strategic Business Units (SBUs) — Contracting, Trading, and Manufacturing.

Commenting on the award, Maqbool Ali Salman, managing director of the Al Hassan Group of Companies, said, "We are indeed happy to have received this award. It is an honour to be recognised and the recognition motivates us to continue setting the standard for a world-class website."
