

# Al Hassan Group wins Web Award

MUSCAT Al Hassan Group bagged a bronze award in oil and gas category in the fifth Oman Web Awards, Oman's premier web designing competition, says a company press release.

Al Hassan website has been designed and developed using the latest web standards and technologies by Al Hassan IT Department.

Ali Maqbool, family member, Al Hassan Group, received the award at a glittering ceremony presided over by HE Eng. Ahmed Bin Hassan Al Dheeb, Undersecretary, Ministry of Commerce and Industry, at the Al Bustan Palace Hotel.

www.al-hassan.com is a virtual window to Al Hassan Group, one of Oman's leading business groups.

Al Hassan Group, established in 1975, currently employs 5,000 plus people and is structured around 11 companies in Oman and UAE classified

under three strategic business units (SBUs), viz., contracting, trading, and manufacturing. Al Hassan Group also has a joint venture with Asian Paints for manufacturing paints.

Commenting on the award, Maqbool Ali Salman, managing direc-

tor, Al Hassan Group of Companies, said: "We are indeed happy to have received this award. It is an honour to be recognised by an international jury and the recognition, doubtless, motivates us to continue setting the standard for a world-class website that delivers business results. We firmly believe that the Internet medium presents a very exciting channel to interact with our stakeholders, hence it forms a very important part of our communication strategy. The award is also an apt acknowledgment of the efforts and capabilities of the team at Al Hassan IT department."
