

# “WORKING WITHOUT LOST TIME INCIDENTS”

Al Hassan Engineering Co, is amongst the top companies in the Engineering, Procurement and Construction companies in the Sultanate. Peter Hall, CEO of the company talks to OGR on Al Hassan Engineering’s initiatives in HSE

## COULD YOU ELABORATE A LITTLE ON THE HSE PRACTICES AT AL HASSAN ENGINEERING COMPANY?

AHEC attaches paramount importance to Health, Safety and Environment (HSE), our prime and driving aim is to ensure the safety and well being of our employees, the community and the environment in which we live and work. We continually strive to ensure that we achieve world class standards in HSE. With this in mind, we are extremely happy and proud that AHEC has now executed a number of projects in Oil & Gas, Petrochemicals, Power and Water sectors without any lost time incidents (LTIs) and has now worked more than 35 million LTI free man-hours since 2007. AHEC has won a number of awards in recognition of its continuous excellent HSE performance from industry associations, its clients and international EPC contractors.

In 2009, PDO conducted “Letter of Assurance”, HSE Audits on selected contractors including AHEC. We are very happy that we were given an “Excellent” rating by PDO under this scheme.

AHEC has also been awarded for its effective HSE Management System, HSE-MS Certificate by OPAL (Oman Society for Petroleum Services), the apex facilitating body that strives to make Oman’s Oil and Gas Industry world class. Quarterly Inspection of all installations is conducted along with monthly senior management meeting to review HSE performance.

The HSE Department also conducts HSE related training courses which are stipulated by PDO and other clients. The training courses conducted internally are:

- HSE Induction (Senior & Junior Staff)
- ‘Managing HSE’ Workshop
- STOP Training
- Supervising Safety
- Basic Fire Extinguishing Practices
- Working Safely
- Enhanced Site Supervision Workshop
- Scaffolding, Riggers and Operators Training
- Hazard Effective Management Practices (HEMP) Workshop
- Drivers Forum

### Some of the landmark achievements of our HSE team are:

- 10.3 million LTI free man-hours in Sohar Aromatics Project
- 6.7 million LTI free man-hours in Sohar Alstom Power Project
- 6.5 million LTI free man-hours in Salalah Methanol Project
- 4.5 million LTI Free man-hours for Oman Polypropylene Project
- 4.3 million LTI Free man-hours for PDO Saih Nihayda Gas Project
- 1.5 million LTI free man-hours in Burhan–Harmal Pipeline Project
- 5 years LTI Free for PDO Campaign Maintenance – North & South Oman.
- Similar standards are also being maintained for ongoing projects.
